CONNECTOR

Name: _____ Date: _____

Title: _____

Chapters/Pages: _____

CONNECTOR: Your job is to find connections between the section your group is reading and the outside world. This means connecting the reading to your own life, to happenings at school or in the community, to similar events at other times and places, or to other people or problems that you are reminded of. You might also see connections between this section and other books you have read. There are no wrong answers – whatever the reading connects you with is worth sharing.
